

**REISSUE APPLICATION DECLARATION and POWER OF ATTORNEY
BY THE INVENTOR**

**Attorney's Docket No.
PHN 16-194R**

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number 6,266,368, granted July 24, 2001, and for which a reissue patent is sought on the invention entitled Data Compression/Expansion on a Plurality of Digital Information Signals the specification of which (check one) ☐ is attached hereto.

☒ was filed on July 24, 2003 as Application Serial No. 10/626,427 and was amended on April 15, 2005.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by the amendment(s) referred to above.

I acknowledge the duty to disclose information which is material to the patentability of this application in accordance with Title 37, Code of Federal Regulation, §1.56 (a).

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below: By reason of the patentee claiming more or less than he had the right to claims in the patent.

In claim 10, for example, "said control signal generation means having an input for receiving said data expanded composite information signal and being adapted to generate said control signal in response to said data expanded composite information signal" has been canceled to broaden the independent claim.

Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicant.

I hereby claim foreign priority benefits under Title 35, United States Code, § 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:
